The OA may also take this action without such a report after consultation with regatta management.
- 1.4 Rule 40.1 will apply at all times when boats are on the water away from the dock. PFDs must be provided by the sailors.
- 1.5 The sailing instructions will describe any changes to the rules.

RS21-type boats will be provided. Spinnakers may be used, conditions permitting. Standing rigging shall not be adjusted, except at the direction of the OA.

11 COURSES

The course will be described in the sailing instructions, and will be a “port box” or other suitable team racing course configuration.

12 UMPIRING

It is the intention for the regatta to be umpired in accordance with RRS Appendix D, paragraph D2, as modified by the sailing instructions. Teams may be asked to provide a competitor(s) to assist the umpires when off rotation. This will not be considered to be a conflict of interest.

13 PROTESTS

When practicable, protests other than those under RRS D2.2, and redress requests will be heard on the water.

14 VHF RADIO

All boats shall carry a marine band VHF radio capable of receiving normal US channels. The OA will supply one VHF per boat, but competitors may provide their own VHF radios for backup.

Malfunction or loss of VHF radio shall not be grounds for redress. Teams failing to return supplied VHF will be charged \$250.

15 WAIVER AND DAMAGE DEPOSIT

15.1 As a condition of entry, each skipper and participating crew member shall submit, prior to racing, an online liability waiver/media release. The link can be found on the event website.

15.2 Competitors participate in the regatta entirely at their own risk. See RRS 3, Decision to Race. The Organizing Authority, SFYC and any official sponsors will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during or after the regatta. Attention is also drawn to RRS 46 and USSER 1.2, Responsibility.

15.3 All skippers will be required to sign a \$500 damage agreement prior to the start of racing by signing an online form. The agreement outlines a \$500 per-incident maximum charge, and includes damage to boats or race committee vessels. If a skipper has more than one incident, he or she is then liable for up to \$500 for each individual incident. Skippers should be aware that while the OA representatives will attempt to identify all damage at the post-regatta inspection, often this is not possible due to the nature of the damage. The skipper is responsible for all damage, even if it is discovered only after the post-regatta report is completed and signed. In the event that there is material damage not covered by insurance and no one acknowledges responsibility (e.g., crews are rotated among the boats and no one

reports the damage), the cost of repairs will be charged to all the designated skippers on a prorated basis.
