## **9 SCORING**

9.1 Scoring will be NCPHRF Time-on-Time calculated with the formula  $TCF=A/(B+rating)$ , where TCF is the time correction factor that the rating is multiplied by, and  $A=B+(fleet's\ middle\ rating)$ . The B Factor used will be as follows for the average of the wind speeds observed on the signal boat at the start and on the finish boat when the first boat in each division finishes:

20+ knots = 500

10-19 knots = 550

Under 10 knots = 575

9.2 All races will count towards the regatta score, no scores will be excluded.

## **10 BERTHING**

SFYC guest docks will be available from March 29 through 30.

## **11 RISK STATEMENT**

Competitors participate in the event entirely at their own risk and subject to the terms and conditions of the SFYC liability waiver.

RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

## **12 INSURANCE**

Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of \$100,000 per incident or the equivalent.
