- 1.6 When a boat in a match fails to sail the course in accordance with RRS 28.1, she will be disqualified without a hearing and scored zero points unless both boats in the match have sailed the same course in which case the boats will be scored as if they had sailed the course in accordance with RRS 28.1. This changes RRS 28, 35, 63.1, and A5.
- 1.7 Delete RRS C6.3 and replace with: "A boat intending to request redress because of circumstances that arise while she is racing or in the finishing area, shall clearly display a red flag as soon as

possible after she becomes aware of those circumstances, but no later than two minutes after finishing or retiring.”

When possible, notification will also be distributed in writing on the water prior to the Attention Signal of the match in which they will begin to take effect. The changes shall remain in effect for all subsequent matches on that race day. If the changes are to remain in effect for subsequent race days, notification will be given as described in SI 3.1.

7 SCHEDULE

- 7.1 A Skippers' Meeting is scheduled for 0915 hours on Saturday. Skippers and Tacticians shall meet with the Joint Committee and the Umpires in The San Francisco Yacht Club Commodore's Room at this time and at other times as directed by the Joint Committee.
- 7.2 At the Skippers' Meeting, the Challenger shall call the toss of a coin. The club that wins the coin toss shall be allowed to choose the end of the starting line designation for their team in the first flight. All three divisions for each club shall be designated the same end of the starting line for each flight. The course shall be chosen by the Joint Committee so that the races are completed within approximately 25 minutes.
- 7.3 The first Attention Signal is scheduled for 1130 hours on Saturday and 1100 hours on Sunday. After each flight the Joint Committee will inform the competitors of the time of the Attention Signal of the next race by VHF.
- 7.4 On Saturday no matches shall be started after 1600 hours, even if the number of points is fewer than prescribed in SI 16.1. On Sunday no matches shall be started such that their finish would likely be after sunset.
- 7.5 The starting order for each flight will be J/105, Women's J/22, Youth J/22, unless changed by breakdown or delay as described in SI 16.
- 7.6 No flight shall be started unless and until the average wind strength, as measured from the Race Committee Signal Boat, exceeds 6 knots, for a 3 minute period prior to the Attention Signal and no flight shall be started if the average wind strength, as measured from the Race Committee Signal Boat, exceeds 22 knots, for a 3 minute period prior to the Attention Signal. The Joint Committee may elect to waive wind limits by majority vote.

8 RACING AREA

The primary racing venue will be in the vicinity of the Berkeley Circle or Southampton Shoals. Other venues on San Francisco Bay may be used depending on conditions, and decided by the JC.

9 THE COURSES

Courses are as described in SI Attachment A. The course to be sailed will be displayed prior to the warning signal of each match by numerical placard on both sides of the RC signal boat.

10 MARKS

Mark W for the J/105s will be a large red inflatable cone. Mark W for the J/22s will be a large yellow inflatable cone. Mark 2 will be a large red inflatable cone for all fleets.

11 THE START

- 11.1 The starting line will be between a staff or halyard displaying an orange flag on the Race Committee Signal Boat and a yellow inflatable cone.
- 11.2 The flight number will be displayed on the RC signal boat near the stern.
- 11.3 The attention signal will be displayed 7 minutes before the first starting signal in each flight. This changes RRS C3.1.

12 THE FINISH

The finish line will be the same as the starting line as described in SI 11.1.

13 CHANGE OF POSITION OF THE WINDWARD MARK

- 13.1 Changes to the course will be made by setting a green replacement mark W. If the change is for both types of boats they will both use the same new green mark W.
- 13.2 Change of course signals (this amends RRS 33 and Race Signals):
- (a) Flag C and a board means: "Mark W has been moved, is now green, and located at the magnetic compass bearing displayed on the board." In a subsequent change in the same race mark W will revert to the original color inflatable cone.
 - (b) When a change of course after starting only affects some matches, these will be designated by the appropriate numeral pennant(s) displayed with the C flag.
- 13.3 Signaling vessels:
- (a) When a change of course is signaled for the first leg of a race, it will be displayed from the RC Signal Boat with the preparatory signal for each match affected. The preparatory signal will be followed by a series of repetitive sound signals.
 - (b) When a change of course is signaled after the second leg of a race it will be displayed from an RC boat near mark L.

14 TIME LIMITS AND TARGET TIMES

- 14.1 The target time for each race will be 25 minutes. Failure to meet this target time shall not be grounds for redress.
- 14.2 The time limit for each race is 60 minutes.

15 BREAKDOWNS, DELAY OF START

- 15.1 Until 6 minutes before her start, or within 2 minutes of finishing, a boat may display flag "L" to signal breakdown or damage to the boat, her sails or injury to her crew and request a delay to the next start. She shall proceed as soon as possible to close to leeward of the RC Signal Boat and remain there, unless otherwise directed.
- 15.2 The time allowed for repairs shall be at the discretion of the Joint Committee. Their decision may be to have the team switch into a predetermined spare boat, if available.
- 15.3 A match in which breakdown time has been requested shall continue with a regular starting "blank" sequence, and then be given a new starting sequence at the end of the starts for that flight. This new sequence will begin with a new attention signal.
- 15.4 Each boat is allowed to delay the start of one race during the series. A boat wishing to delay the starting time may request, by VHF, such a delay from the Joint Committee at any time up to the lowering of Code Flag "F". If the delay is granted then the start will be delayed by 15 minutes or such longer time as is approved by the Joint Committee. In the event that the delayed match is not the last of the flight, subsequent matches will be moved up and started in its place. The new sequence for the breakdown match will begin with a new attention signal.

16 SCORING

- 16.1 Each match win in each division shall count for one (1) point. Points shall be awarded as described in RRS C10 and RRS C6.6. The first club to earn eleven (11) or more points, at the completion of a flight, shall be declared the winner of the 2019 San Francisco Cup. On Saturday racing shall be terminated for the day at the end of the flight in which a club reaches seven (7) points. If one of the matches is subject to protest, the pending protest shall be disregarded for the purposes of this section.
- 16.2 If neither club's team has accumulated eleven (11) points at the end of racing on Sunday, the SF Cup shall be awarded to the club with the most points, at the end of the last completed flight.

- 16.3 If both clubs earn more than eleven (11) points at the end of a flight, but are not tied, the SF Cup shall be awarded to the club with the most points, including partial points resulting from decisions described in NOR 10.5.
- 16.4 In the event of a tie at the end of racing on Sunday, resulting from decisions made under RRS C6.6(b)(1), RRS C6.6(c), RRS C8.6, and as set forth in Addendum E of the sailing instructions, or dead heat points as described in RRS C10.1, the 2019 San Francisco Cup shall be awarded to the club whose J/105 team scored the most points. If the J/105s are tied, then the tie shall be broken in favor of the club whose J/105 won their last race.

17 HAUL-OUT RESTRICTIONS

Boats shall be afloat before 0900 hours on Saturday and shall remain afloat until one hour after the completion of racing for all fleets on Sunday. The JC may request a J/22 to be hauled to inspect for damage and subsequent repairs.

SI ADDENDUM E - PENALTIES FOR DAMAGE

RRS C6.6 and C8.6 permits the umpires or PC to decide the penalty when a boat breaks RRS 14. This Addendum explains how damage will be assessed and gives general guidance on the appropriate penalty. When the PC has good reasons to do so, it may apply a different penalty.

Damage will be divided into 3 levels.

Level	Extent	Effect
Level A - Minor Damage	Does not significantly affect the value, general appearance or normal operation of the boat.	Boat may race without repair although some minor surface work may be required after the event. Repairs should not normally require more than 1 hour of work.
Level B - Damage	Affects the value and/or general appearance of the boat	The damage does not affect the normal operation of the boat in that race but may need some (temporary) work before racing again. Requires more than 1 hour of work but should not normally require more than 3 hours of work.
Level C - Major Damage	The normal operation of the boat is compromised and its structural integrity may be impaired.	The boat will need some repair work before racing again. Requires more than 3 hours of work.

Point Penalties - to be applied without a hearing (this amends RRS C8.6);

Level	Round Robin	Knock Out
A	None	None
B	Half point	Three quarters of a point
C	One point	One point

When both boats break RRS 14, they should both receive a points penalty. If a competitor requests a hearing after a points penalty has been imposed, the protest committee may decide (in the hearing) to give a greater penalty.

Deductions from Damage Deposits

The assessment of damage level is only for the purpose of points penalties, and is not linked to any deductions from the competitor's damage deposits.

Any points penalty will be based on the assessment of damage level made on the water. Subsequent assessments of the damage level after closer inspection, whether the level turns out to be higher or lower, will have no effect on the points penalty given on the water.
