The OA may also take this action without such a report after consultation with regatta management.

11 COURSES

12 UMPIRING

It is the intention for the regatta to be umpired in accordance with RRS Appendix UF (Umpired Fleet Racing), as modified by the sailing instructions Attachment of the same name. Teams may be asked to provide a competitor(s) to assist the umpires when off rotation. This will not be considered to be a conflict of interest.

13 PROTESTS

When practicable, protests other than those under RRS D2.2, and redress requests will be heard on the water.

14 VHF RADIO

All boats shall carry a marine band VHF radio capable of receiving normal US channels. The OA will supply one VHF per boat, but competitors may provide their own VHF radios for backup. Malfunction or loss of VHF radio shall not be grounds for redress. Teams failing to return supplied VHF will be charged \$250.

15 WAIVER, DAMAGE DEPOSIT AND RISK STATEMENT

15.1 As a condition of entry, each skipper and participating crew member shall submit, prior to racing, an online liability waiver/media release, which is in the entry process.

15.2 Competitors participate in the event entirely at their own risk and subject to the terms and conditions of the SFYC liability waiver.

RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

15.3 All skippers will be required to sign a \$500 damage agreement prior to the start of racing by signing an online form. The agreement outlines a \$500 per-incident maximum charge, and includes damage to

boats or race committee vessels. If a skipper has more than one incident, he or she is then liable for up to \$500 for each individual incident. Skippers should be aware that while the OA representatives will attempt to identify all damage at the post-regatta inspection, often this is not possible due to the nature of the damage. The skipper is responsible for all damage, even if it is discovered only after the post-regatta report is completed and signed. In the event that there is material damage not covered by insurance and no one acknowledges responsibility (e.g., crews are rotated among the boats and no one reports the damage), the cost of repairs will be charged to all the designated skippers on a prorated basis.
