9 SCORING

- 9.1 Scoring for standard races will be NCPHRF Time-on-Time calculated with the formula $TCF=A/(B+rating)$, where TCF is the time correction factor that the rating is multiplied by, and $A=B+(Fleet's\ middle\ rating)$. The B Factor used will be as follows for the average of the wind speeds observed on the signal boat at the start and

on the finish boat when the first boat in each division finishes:

20+ knots = 500

10-19 knots = 550

Under 10 knots = 575

- 9.2 Scoring for pursuit races will be determined by the order that the boats finish, within each Division.
- 9.3 For each Regatta: A boat's series score shall be the total of her race scores.
- 9.4 For the entire Club Championship Series: 4 races are required to be completed to constitute the Club Championship Series. When fewer than 3 races have been completed, a boat's series score will be the total of her race scores. When from 3 to 4 races have been completed, a boat's series score will be the total of her race scores excluding her worst score. When from 5 to 6 races have been completed, a boat's series score will be the total of her race scores excluding her 2 worst scores. When from 7 to 8 races have been completed, a boat's series score will be the total of her race scores excluding her 3 worst scores. When 9 races have been completed, a boat's series score will be the total of her race scores excluding her 4 worst scores.

10 RISK STATEMENT

Competitors participate in the event entirely at their own risk and subject to the terms and conditions of the SFYC liability waiver.

RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. **Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.**

11 INSURANCE

Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of \$100,000 per incident or the equivalent.
